

IPSI-4 Public Forum

Introduction to the Small Group Discussions

Robert Blasiak and Kaoru Ichikawa, IPSI Secretariat

13 Sept 2013

IPSI Public Forum

IPSI-3 Public Forum (Hyderabad, India)

- 1) To strengthen collaboration and synergies among members as well as between the Satoyama Initiative and other relevant initiatives and programs.
- 2) To enhance understanding and raise awareness of the importance of socio-ecological production landscapes and seascapes (SEPLS)

IPSI-4 Public Forum Discussions

Earlier presentations helped to set the stage for today's discussions, but now it's **your turn.**

Two main focus areas for IPSI-4 Public Forum:

- 1) Sharing your experiences with SEPLS management **at the local level**
- 2) Deepening our understanding of the **three components** (social, ecological and economic) of socio-ecological production landscapes and seascapes (SEPLS)

IPSI-4 Public Forum Discussions (Purpose)

- **Identify key points for successful SEPLS management at the local level**
 - 1) opportunities
 - 2) challenges
 - 3) lesson learned
 - 4) future actions
- **Each group will focus on one or two aspects of the SEPLS**
 - **Economic benefits at the local level**
 - What can be done to enhance economic benefits at the local level from sustainable production in SEPLS?
 - **Integrated management of SEPLS**
 - How can integrated management of mosaic systems in SEPLS be promoted at the local level?
 - **Stakeholder involvement**
 - How can effective and meaningful stakeholder involvement at the local level be promoted for SEPLS activities?
