

Global Workshop on the *Satoyama* Initiative
“Ecosystem Services and Human Well-being”

29-30 January 2010

UNESCO, Paris, France

Workshop Introductions: The progress of the *Satoyama* Initiative and the workshop programme

Yoshihiro Natori

Senior Fellow

United Nations University Institute of Advanced Studies
(UNU-IAS)

The *Satoyama* Initiative

- Recognize of the potential inherent in socio-ecological production landscapes in the world for enjoying stable ecosystem services and improving human well-being while also conserving biodiversity as well as challenges they are facing
- International effort to promote a concept with worldwide application to tackle the challenges under the vision of realizing societies in harmony with nature.
- Initiated jointly by the Ministry of the Environment of Japan and the United Nations University Institute of Advanced Studies

The progress of the *Satoyama* Initiative

G8 Environment Ministers Meeting 2008(Kobe city Japan)
Kobe Call for Action for Biodiversity

CBD-COP9 (Bonn, Germany)

The kickoff meeting was held in March 2009 in
Tokyo

The progress of the *Satoyama* Initiative:
The first preparatory meeting

- **International Expert Meeting on the International Satoyama Initiative Concept “Biodiversity and Sustainability”**
 - 25 July 2009, Tokyo, Japan
 - Participants including experts, government officials, and international organizations
 - Discussion on;
 - Features and the potentials of socio-ecological production landscape for conservation of biodiversity and improvement of human well-being
 - Major elements and points for effective design of the *Satoyama* Initiative

The progress of the *Satoyama* Initiative:
The second preparatory meeting

- **Asia-Pacific Regional Workshop on the *Satoyama* Initiative Concept**
“Ecosystem Services in the Asia-Pacific Region”
 - 1-2 October 2009, Penang, Malaysia
 - Officials and experts including representatives from the governments of countries in Asia and the Pacific, academic organizations, research institutes, NGOs and international organizations
 - Discussion on;
 - the management features of socio-ecological production landscapes in the Asia and Pacific region and their benefits for biodiversity conservation and human well-being
 - strategic elements of the Vision and Perspectives of the *Satoyama* Initiative concept and international partnership under the Initiative

The third preparatory meeting:

Objectives of this Workshop

- 1) To share the *Satoyama* Initiative Concept among the nations of the world, international organisations and other relevant parties,
- 2) To help materialize a framework for advancing the *Satoyama* Initiative (partnership) and proposed activities for the partnership

Workshop Programme - Day 1

Session 1:

Features of Sustainably Managed Biocultural Landscapes in the World and their Benefits for Biodiversity and Human Well-being

- Presentations

- Asia-Pacific *by A.H.Zakri*
- Africa *by AlfredA. Oteng Yeboah*
- Europe *by Urbano Fra Paleo*
- North America *by Jessica Brown*
- Latin America and the Caribbean *by Alejandro Argumedo*

Workshop Programme - Day 1

Side event

12:10-12:50 (Lunch time)

- **The Sub-global Assessment of *Satoyama* and *Satoumi* in Japan and Its Contributions to *Satoyama* Initiative**

Session 2:

Challenges and Ways and Means to Support Socio-ecological Production Landscapes

- Introduction by Kazuhiko Takeuchi
- Experiences and perspectives of potential partners
 - UNDP
 - FAO
 - ICRAF
 - IUCN
 - Terroirs et Cultures
 - CI
 - JICA
 - Bioversity International
- Discussion
 - The Concept of the *Satoyama* Initiative and Challenges and Ways and Means to Support Socio-ecological Production Landscapes

Session 3:

International Partnership for advancing the *Satoyama* Initiative and proposed activities for the Partnership

- Presentation
 - “The *Satoyama* Initiative in the context of the Post 2010 Strategy of the CBD” by Kalemani Jo Mulongoy
 - “ GEF's experience in mainstreaming biodiversity into production landscapes and seascapes: Potential future collaboration “ by Yoko Watanabe
- Introduction
 - “International Partnership for Advancing The *Satoyama* Initiative and Proposed Activities for the Partnership” by Tsunao Watanabe
- Presentation
 - “Expectation on the *Satoyama* Initiative” by Salvatore Arico, UNESCO
- Discussion
 - International Partnership for Advancing The *Satoyama* Initiative and Proposed Activities for the Partnership

Session 4:
**Input to the CBD Subsidiary Body on Scientific, Technical
and Technological Advice (SBSTTA)
on the Satoyama Initiative**

- Discussion:

The outcome of this workshop to be inputted to the 14th meeting of the CBD SBSTTA
