

Global Workshop on the *Satoyama* Initiative

“Ecosystem Services and Human Well-Being”

29- 30 January 2010

Venue: UNESCO, Paris

Organised by: Ministry of the Environment of Japan (MoE-J)
United Nations University Institute of Advanced Studies (UNU-IAS)

Co-organised by: United Nations Educational, Scientific and Cultural Organization (UNESCO)
United Nations Environment Programme (UNEP)
Secretariat of the Convention on Biological Diversity (SCBD)

The objectives of the Workshop are twofold:

- 1) To share the *Satoyama* Initiative Concept among the nations of the world, international organizations and other relevant parties,
 - 2) To help materialize a framework for advancing the *Satoyama* Initiative (partnership) and proposed activities for the partnership
- * The outcome of the Workshop is expected to be input into the 14th meeting of the CBD Subsidiary Body on Scientific, Technical and Technological Advice (SBSTTA 14)

Day 1: 29 January 2010	
OPENING SESSION	
9:00 – 9:50	Opening Remarks Tsunao Watanabe, <i>Deputy Director General, Nature Conservation Bureau, MOE-J</i> Natarajan Ishwaran, <i>Director of the Division of Ecological and Earth Sciences, UNESCO</i> Ahmed Djoghlaif, <i>Executive Secretary, SCBD</i> Kazuhiko Takeuchi, <i>Vice Rector, UNU</i>
9:50 – 10:10	Workshop Introductions Video Presentation Ministry of the Environment of Japan The progress of <i>Satoyama</i> Initiative and the WS programme Yoshihiro Natori, <i>Senior Fellow, United Nations University Institute of Advanced Studies</i>
10:10 – 10:30	Coffee Break

SESSION 1: Features of Sustainably Managed Biocultural Landscapes in the World and their Benefits for Biodiversity and Human Well-being	
Chair: Kazuhiko Takeuchi	
10:30– 10:50	<p>Presentation</p> <p>Features of Sustainably Managed Biocultural Landscapes in the Asia-Pacific and their Benefits for Biodiversity Conservation and Human Well-being A.H.Zakri, <i>Director, Centre for Global Sustainability Study, Universiti Sains Malaysia, Malaysia</i></p>
10:50– 11:10	<p>Presentation</p> <p>Features of Sustainably Managed Biocultural Landscapes in Africa and their Benefits for Biodiversity Conservation and Human Well-being Alfred A. Oteng Yeboah, <i>Deputy Director General, Council for Scientific and Industrial Research, Ghana</i></p>
11:10 – 11:30	<p>Presentation</p> <p>Features of Sustainably Managed Biocultural Landscapes in Europe and their Benefits for Biodiversity Conservation and Human Well-being Urbano Fra Paleo, <i>University of Santiago de Compostela, Spain</i></p>
11:30 – 11:50	<p>Presentation</p> <p>Features of Sustainably Managed Biocultural Landscapes in North America and their Benefits for Biodiversity Conservation and Human Well-being Jessica Brown, <i>Senior Advisor for International Programs, QLF/Atlantic Center for the Environment, USA</i></p>
11:50 – 12:10	<p>Presentation</p> <p>Features of Sustainably Managed Biocultural Landscapes in Latin America and the Caribbean and their Benefits for Biodiversity Conservation and Human Well-being Alejandro Argumedo, <i>Director, Association for Nature and Sustainable Development, Peru</i></p>
12:10 – 14:00 (12:10-12:50)*	<p>Lunch</p> <p>*A Side event "The Sub-Global Assessment of Satoyama and Satoumi in Japan and Its Contributions to Satoyama Initiative"</p>
SESSION 2: Challenges and Ways and Means to Support Socio-ecological Production Landscapes **	
Chair: Spencer L. Thomas, <i>Chair of the Subsidiary Body on Scientific, Technical and Technological Advice, CBD</i>	
14:00 – 17:00	<p>Introduction: The Concept of the <i>Satoyama</i> Initiative and Challenges and Ways and Means to Support Socio-ecological Production Landscapes Kazuhiko Takeuchi</p> <p>Experiences and perspectives of potential partners to stimulate discussion</p> <ul style="list-style-type: none"> • UNDP /GEF SGP: Community-based initiatives for environment and sustainable development in Satoyama-like landscapes

(15:20-15:40)	<p>Terence Hay-Edie, <i>Programme Specialist, GEF Small Grants Programme(SGP), UNDP</i></p> <ul style="list-style-type: none"> • FAO : Policy Challenges and Implementation Arrangements of Globally important Agricultural Heritage Systems Parviz Koochafkan, <i>Director, Land and Water Division, GIAHS Coordinator, Natural Resources Management and Environment Department, FAO</i> • ICRAF: Bringing trees back in biocultural landscapes; the challenges and promises of agroforestry worldwide Dupraz Christian, <i>Director of Research, Agroforestry Research Unit, INRA, France</i> • IUCN: Satoyama-like Landscapes and IUCN Category V Protected Areas Adrian Phillips, <i>Former chair of the IUCN World Commission on Protected Areas</i> <p>Coffee break</p> <ul style="list-style-type: none"> • Terroirs & Cultures: Presentation of Terroirs & Cultures association and activities; potential relationship with Satoyama Initiative Claude Béranger, <i>Secretary General, Terroirs & Cultures</i> • CI: Payment for environmental services: successful lessons for sustainable landscapes in Costa Rica Carlos Manuel Rodríguez, <i>Vice President for Conservation Policy, Conservation International</i> • JICA: JICA's experience: Lessons learned from ODA projects Motohiro Hasegawa, <i>Chief Advisor, JICA-BBECII/JICA Senior Advisor</i> • Bioversity International: Agricultural landscapes that maintain cultivated and wild biodiversity: examples from developing countries Pablo B. Eyzaguirre, <i>Senior Scientist, Bioversity International, Rome, Italy</i> <p>Discussion on The Concept of the <i>Satoyama</i> Initiative and Challenges and Ways and Means to Support Socio-ecological Production Landscapes</p>
---------------	---

****Socio-ecological production landscape:** The organizers of this WS propose to use "Socio-ecological production landscape" to briefly refer to a targeted area of the *Satoyama* Initiative.

Day 2: 30 January 2010

9:00 – 9:15	Recapturing of Day ¹
SESSION 3: International Partnership for advancing the <i>Satoyama</i> Initiative and proposed activities for the Partnership Chair: Somaly Chan, <i>Director, International Conservation and Biodiversity, Department of the Ministry of Environment, Cambodia</i>	
9:15 – 12:00	<p>Presentation The <i>Satoyama</i> Initiative in the context of the Post 2010 Strategy of the CBD Kalemani Jo Mulongoy, <i>Principal officer, Scientific, Technical and Technological Matters Division, SCBD</i></p> <p>GEF's experience in mainstreaming biodiversity into production landscapes and seascapes: Potential future collaboration Yoko Watanabe, <i>Program Manager and Senior Biodiversity Specialist, Secretariat of the Global Environment Facility</i></p> <p>Introduction: International Partnership for Advancing The <i>Satoyama</i> Initiative and Proposed Activities for the Partnership Tsunao Watanabe</p>
(10:00-10:20)	<p>Coffee break</p> <p>Presentation Expectation on the <i>Satoyama</i> Initiative Salvatore Arico, <i>Biodiversity Specialist, - UNESCO Focal Point for IYB 2010 -, Division of Ecological and Earth Sciences, UNESCO</i></p> <p>Discussion on International Partnership for Advancing The <i>Satoyama</i> Initiative and Proposed Activities for the Partnership</p>
12:00– 13:20	Lunch
SESSION 4: Input to the CBD Subsidiary Body on Scientific, Technical and Technological Advice (SBSTTA) on the <i>Satoyama</i> Initiative Chair: James H.Seyani, <i>Director General, National Herbarium and Botanical Gardens of Malawi</i>	
13:20 – 14:50	Discussion on Outcome of the Workshop and Co-chairs' Summary of the Workshop
14:50 – 16:15	Coffee Break
16:15 – 17:15	Discussion (continue)
17:15 – 17:30	<p>Closing Remark Alphonse Kambu , <i>Senior Programme Officer, Biodiversity and Land Law and Governance Unit Division of Environmental Law and Conventions, UNEP</i></p> <p>Tsunao Watanabe</p>
