PBL Netherlands Environmental Assessment Agency

**AFR100** (the African Forest Landscape Restoration Initiative) is a country-led effort to bring 100 million hectares of land in Africa into restoration by 2030.

## 1000 Landscapes for 1 Billion People

A Radical Collaboration for Resilient Communities and Restored Nature

## COP-14: Sharm-el-Sheikh to Kunming Action Agenda for Nature and People

1. to **raise public awareness** about the urgent need to halt biodiversity loss and to restore biodiversity health;
2. to **inspire and help implement** nature-based solutions to meet key global challenges;
3. to **catalyse cooperative initiatives** across sectors and stakeholders in support of the global biodiversity goals.

**Online platform:** to receive and showcase commitments, enabling mapping, estimating impacts and identifying key gaps

# Business networks in 24 countries pledge immediate action to halt the deterioration of Nature and the loss of biodiversity

## One Planet Business for Biodiversity

Participants **19**

Drive transformational systemic change and catalyze action to protect and restore cultivated and natural biodiversity within the value chains, engage decision makers, and develop and promote policy recommendations in the CBD COP 15 framework to be held in 2020.

One Planet Business for Biodiversity (OP2B) is a unique international cross-sectorial, action-oriented business coalition on biodiversity with a specific focus on agriculture, launched within French President Macron's One Planet Lab framework. Actions are focused around three pillars: scaling up regenerative agricultural practices; boosting cultivated biodiversity and diets through product portfolios; and eliminating deforestation / enhancing the management, restoration and protection high value natural ecosystems

# WELCOME TO CitiesWithNature

Environmental

Become part of this unique initiative that recognizes and enhances the value of nature in and around cities across the world.

It provides a **shared platform** for cities and their partners to **engage and connect**, working with shared commitment towards a more sustainable urban world.

## AN AGENDA FOR ACTION

Sharm El-Sheikh to Kunming Action Agenda for Nature and People

### Action Agenda commitments

#### Watch this space.

We're building momentum towards achieving the vision of living in harmony with nature.

The Sharm El-Sheikh to Kunming Action Agenda for Nature and People invites positive action in support of biodiversity to set the stage for an ambitious global biodiversity framework in 2020. As commitments come in, they are displayed here to inspire others and create a groundswell of action for nature.
